Full Description: If you are a lover of locally grown fruit and vegetables, then this is the house for you. It is in the centre of the village of Velleron, 10 minutes from Isle-sur-la-Sorgue and is the location of the famous market where all produce must be grown or made in the area and sold direct from the farmer.

The generous stone farmhouse has been a great holiday home for the current owners, whilst earning a healthy revenue from summer rentals. The spacious farmhouse kitchen easily sits 8 or 10 people, with an additional dining room with sitting area and fireplace. On 2 upper levels are 7 bedrooms and 3 bathrooms, one en suite. There is a games room with table tennis, and a garage, with a roof terrace above.

Outside, the pool is big enough to really swim lengths, and the terrace is evocative of long summer Provençal evenings. The garden is big enough for children and pets, and you are still within walking distance of the village with its shops, restaurants and cafés...
